

**ACKNOWLEDGEMENT STATEMENT  
UNIVERSITY OF CONNECTICUT SCHOOL OF MEDICINE  
GRADUATE MEDICAL EDUCATION**

The Accreditation Council for Graduate Medical Education requires that applicants for appointment to a residency or fellowship program sponsored by the University of Connecticut School of Medicine (UConn) understand fully the conditions and requirements of the UConn residency and fellowship programs where they have interviewed and where they may train. After completing their interviews at UConn, all applicants for appointment must sign the Acknowledgement Statement below.

I hereby certify that UConn has provided me with the information I deemed relevant to evaluate whether I wish to seek appointment to a residency or fellowship program at UConn. Specifically, I have been provided:

- Access to copies of the academic appointment and employment contracts with the University of Connecticut School of Medicine and the Capital Area Health Consortium (CAHC) I will be required to sign if an appointment occurs;
- Access to UConn policies concerning criteria and eligibility for appointment to a residency or fellowship position;
- Access to the UConn Housestaff Policy Book and other UConn policies and procedures governing the UConn resident and fellows in effect on the date I interviewed at UConn\*.
- Access to information concerning pay and benefits provided to resident and fellows in UConn training programs.

Match Applicants (NRMP, AUA, AOA): I understand that **if** a match occurs that this establishes a legally binding commitment by the applicant to accept an appointment and a legally binding commitment by UConn to offer an appointment.

I understand that appointment to a UConn residency or fellowship program is subject to the official UConn policies in effect and is contingent upon the applicant meeting all eligibility requirements imposed by those policies.
